Director’s Report—Challenging times-hurting for the kids. Constantly working to ensure they are doing okay. Heavy decisions with a devastating season. Seasons usually begin in Sept and we have not even begun yet. Show is not a perfect product but students are working hard. Cancelling was never an option. Goal of the program is to provide musical experiences for the students while trying to be responsible with money & time. The funds entrusted will be used to provide valuable musical experiences. Adding 2 events in Oct/Nov to help offset the reductions of normal program events that were cancelled due to COVID19. Winterguard and/or drumline pending decisions. February looking at possible symphonic band camp for LGPE. Also under review are there any possible options for expanded chambers, basketball, parades & community events.

- **Old Business** - Rock-a-thon and budget.
- **New Business**— Sweatshirts for cold season due to no uniforms. Website upgrade.
