Treasurer's Report: David Futch

- Proposal for budget realignment – to be voted on at October booster meeting

- Indoor & General accounts are staying separate
- Created quite an extensive report in an attempt to blow up transparency
- Both posted on website now
 - Proposed budget with summary
 - Also added a mandatory carryover reserve
- Just a draft will be voted on next month after suggestions and digestion
- Suggestion from boosters that we budget for the show ahead of time
 - Consensus is that guard spends too much ie uniform, bags and colorguard families volunteer the least
- Mack understands the concerns about what is being spent on what sections and which sections are actually volunteering and putting their time in
- Board will work on a way to notify the boosters if there is an item that will go over budget
- There is no maintenance schedule set for instruments, but we are working on a rotation

Committee Reports

- Uniforms – need 10 volunteers to reassemble uniforms into the correct garment bags after dry-cleaning.
 - Dates: Oct 2 – 4
 - Time: be here at 3:45pm After school dismissal/during band rehearsal
- Volunteer – we really need concession help
 - 3 home games left
 - REMINDER: every parent (not family) is required to work 2 games day volunteer slots
 - One MUST be in concessions and the other can be any other game day spot (dinner service, chaperones, pit crew, etc)
