

Fall Concert 2023

7:00 PM - Tuesday October 17, 2023

Tuesday, October 17 the North Paulding Band Program will present its first concert of the year! As noted in the syllabus, each ensemble is a performance based class that utilizes public performances as part of the learning process. All rehearsals and performances are equated into the nine-week grade for each semester. We are super excited with the progress that the students have made so far this semester and look forward to celebrating with a great night of music. The show starts at 7:00 pm.

Below, please find information related to each specific ensemble. Part of the process is arriving on time, in the correct uniform, and consistently displaying a high level of concert etiquette throughout the entire evening. Students will not be permitted to perform if they are not in the correct attire. Students sit in the side section on Stage Right (closest to the band room) during the concert and will be monitored by chaperones. Students are to be in the auditorium once their band is done, pay attention to the concert, and remain quiet while in the audience. Students will not use their phones, talk, or cause any distractions during a performance. Failure to follow this etiquette will result in removal from the concert and a grade of 0 for the concert.

Students are required to stay through to the end of the concert. Attendance will be taken at the beginning of the concert and at the end. Being tardy for the first attendance will reduce your grade. Not being present for the student's portion of the concert or attendance at the end of the concert will result in a 0 for the concert. Not being present for the final attendance will reduce your grade.

Please contact the band office if you have any questions.
