### Percussion & Indoor Drumline Sponsorship Drive

January 11, 2024

Dear Business Owner or Manager,

The **North Paulding High School Band Percussion Program** is growing this year and we have a very talented group of student musicians. We could use your support for our newest percussion program, the **North Paulding Combined Schools Indoor Drumline**.

The Indoor Drumline program is composed of students from three Paulding County high schools - North Paulding, South Paulding, and Hiram. These students have been rehearsing since the end of October in preparation for their competition season that starts in February and culminates mid-April in Dayton, Ohio at the WGI Percussion World Championships.

This program does not receive any funding from the school district or Band Booster Association, but rather is entirely funded by participant dues and fundraising. Providing this experience is costly and we need all the financial help we can get to make this happen for the students. We are seeking sponsors to provide needed funds to help us pay for transportation, professional instruction, instruments, uniforms, and various other necessities of an active percussion program.

We have several levels of sponsorship to help us in fundraising for these expenses. Our sponsorship form can be found online at <https://bit.ly/NPHS-Percussion-Sponsor>. We would love for you to team up with us as a sponsor of this exciting new program!

On behalf of the North Paulding High School Percussion Program and North Paulding Band Booster Association, we thank you for your consideration and donation. We appreciate our community partners greatly and could not provide these programs without you.

Sincerely,

Andrew Coyle, Director, North Paulding High School Percussion Program
